Children

Tables concerning Children. Helpful to consider in relation to Families.

Overview

The ACS tables beginning with **09** are about children and relationships. In the listing below, table names have been simplified in some cases. References to children and grandchildren almost always mean under 18 years old. Income is for the last 12 months, adjusted for inflation to the value of dollars in the last year of the survey period. References to poverty status/level, receipt of food stamps/SNAP, and work status are all for the last 12 months.

Code	Title
B09001	Population Under 18 Years by Age
B09002	Own Children by Family Type and Age
B09005	Household Type for Children in Households (Excluding Householders, Spouses, and Unmarried Partners)
B09006	Relationship to Householder for Children in Households
B09008‡	Presence of Unmarried Partner of Householder by Household Type for Children in Households
B09010	Receipt of Supplemental Security Income (SSI), Cash Public Assistance Income, or Food Stamps/SNAP by Household Type for Children in Households
B09016‡	Household Type (Including Living Alone) by Relationship
