More than just a business conference, APBO is a comprehensive networking and learning experience designed to provide business leaders with the contacts and knowledge to succeed in Asia/Pacific markets. Since 1988, USC Marshall School of Business and the U.S. Department of Commerce have been producing APBO, to help leaders of U.S. businesses generate sales and profits in the rapidly growing economies of Asia.

Tailor your APBO experience according to your needs and interests. Choose from 60 sessions over two days and schedule up to five private One-on-One meetings for export counseling.

# APBO ASIA PACIFIC BUSINESS OUTLOOK CONFERENCE 2015

## APBO is the key to your export success

***One-on-One Meetings with Senior  
Commercial Officers from U.S. Embassies***

Take this once-a-year opportunity to meet with Senior Commercial Officers traveling from their overseas posts to participate in APBO. Early registration will allow the overseas commercial staffs to prepare market research specific to your company interests.

***Experience and Credibility***

APBO's speakers draw on decades of experience developing business in Asian markets. Get credible, practical intelligence to plan, execute, and succeed. Learn from a distinguished and diverse lineup of 60 Asia business specialists in small interactive workshop settings.
