

# SINGAPORE & SOUTHEAST ASIA

**Learn About New Market Opportunities in Southeast Asia!**

**Don't miss this opportunity!** Learn about export opportunities for Hawaii companies in Southeast Asia, from Malaysia to the Philippines, Thailand to Indonesia, and Singapore, directly from U.S. Commercial Specialist, Luanne Theseira. She has over a decade of experience assisting U.S. companies and expertise to share with you!

**Luanne Theseira**  
U.S. Embassy, Singapore

Luanne Theseira is the Commercial Specialist covering retail, nutritional supplements cosmetics, consumer goods, food clusters, healthcare, medical devices, biotech, and pharmaceuticals. She has over 15 years experience with the U.S. Embassy in Singapore where she has assisted numerous U.S. firms find distributors and export to Singapore and the wider Southeast Asian markets.

## Why ASEAN?

The United States has a fast-growing trade and investment relationship with the ten countries that compose the Association of Southeast Asian Nations (ASEAN). ASEAN has a population of 626 million with an economy valued at \$2.4 trillion. ASEAN is the second fastest growing Asian economy after China. The ASEAN annual income is continuing to rise which will continue to make them an important consumer market.
