Every day, the U.S. Small Business Administration and its nationwide network of partners help millions of potential and current small business owners start, grow and succeed.

Resources and programs targeting small businesses provide an advantage necessary to help small businesses effectively compete in the marketplace and strengthen the U.S. economy.

SBA offers help in the following areas:

- Starting a Business
- Financing a Business
- Growing a Business
- Opportunities in Contracting
- Recovering from Disaster
- A Voice for Small Business in Gov't.

Visit SBA online at <http://www.sba.gov> for 24/7 access to small business information, news and training for entrepreneurs.

All SBA programs and services are extended to the public on a nondiscriminatory basis.

What You Need to Know

Can SBA Help My Business?

What does SBA offer to small business owners? The programs are many and varied, and the qualifications for each are specific. Take advantage of this free opportunity to meet one-on-one with your SBA representative who will help navigate and explain SBA Programs and resources available to you. **Ask us about:**

- Loans for working capital – **SBA Express, Export Express & Veterans Advantage Programs;**
- Long-term financing to purchase or renovate business real estate or major equipment – **the SBA 504 Loan Program;** and
