

Doing Business In Taiwan

Taiwan - Taiwan has a population of 23.5 million and following a period of stable economic growth, U.S. goods and services more attractive than ever to Taiwan buyers. Learn about opportunities for Hawaii businesses in Taiwan.

This session is part of Hawaii's State Trade Expansion Program, also known as **HiSTEP**, designed to assist small businesses in Hawaii with growing their export business in markets around the world.

The HiSTEP program has three key components that you will learn about in the seminar:

1. **Export Readiness Program** – training and mentoring
2. **Company Assistance** – grant awards up to \$15,000
3. **Hawaii Pavilions** – support at major trade shows

The Export Readiness Training Program will help you to begin or expand your export market development through training and mentoring. **The world is open for your business, so come learn how you can start or further develop your export strategy!**
