CALL TO ORDER
At 3:03 p.m., Chair Kalani Kaʻanā’anā welcomed all present. Chair then conducted roll call of Commissioners: Chair, Ms. Ah Nee-Benham, Ms. Hussey, Mr. Keohokālole, Ms. Lum, Ms. de Silva, Mr. Onishi, Ms. Puʻu.

The wehena (opening) was conducted by Mr. Danny Akaka.

Mr. Onishi introduced Mr. Danny Akaka as the son of late U.S. Senator Daniel Akaka and appreciates Mr. Akaka’s support of East Hawaiʻi as well as the state, and the many blessings that the Akaka family has shared with Hawaiʻi. Mr. Akaka thanked Mr. Onishi and shared that his wife Anna Akaka (who was initially scheduled to present the wehena) sends her regards.

Mr. Akaka briefly introduced the Mālama Honu the turtle program curated by the Mauna Lani Resort in partnership with Sea Life Park, where green sea turtles have been raised and released at the resort for over 30 years. The honu are a wonderful symbol that represent everyone coming together, while caring for earth. He encouraged all to visit Mauna Lani and said he would be happy to share the honu with everyone. He then presented a pule (prayer). Mr. Akaka translated the pule shared in Ōlelo Hawaiʻi (Hawaiian language), by expressing that as we gather as one ʻohana (family) to prepare for FestPAC, a tradition of song and dance that we need to follow the ala pono (path of righteousness) forward. As Hawaiʻi prepares to invite and bring together people from the Pacific for the celebration of indigenous people as artists, scholars, dancers and other performers of the Pacific community convene in Hawaiʻi, this event will help to perpetuate the arts and culture of the Pacific people to preserve and revive traditional arts and culture and share a sense of unity among the Pacific people. He asked to keep all safe, protected and healthy as everyone overcomes the challenges from the past few years due to the global pandemic. He asked that healing hands be placed upon everyone and that all will come together so that the spirit of aloha will be shared with all.

Chair expressed his thanks to Mr. Akaka for the grounding message shared in the wehena.

REPORT ON PERMITTED INTERACTIONS, PURSUANT TO ACT 103, SESSION LAWS OF HAWAI‘I 2021
Chair Ka‘anā‘anā reported that no committee meetings were held.

PRESENTATION, DISCUSSION AND/OR ACTION REGARDING ADMINISTRATIVE COMMITTEE UPDATE

As there were no Administrative Committee meetings held, the chair moved on to the next agenda item.

PRESENTATION, DISCUSSION AND/OR ACTION REGARDING VENUES AND PROGRAMMING COMMITTEE UPDATE

As there were no Venue and Programming Committee meetings held, the chair moved on to the next agenda item.

PRESENTATION, DISCUSSION AND/OR ACTION REGARDING THE FESTIVAL DIRECTOR REPORT
Chair turned over this portion of the meeting to Ms. Mālia Sanders who provided the Festival Director report from Mr. Aaron Salā via pre-recorded video from Fiji. The FD reported that outstanding action items discussed previously will be reported during the Commission meeting in August. He reported that he was invited to attend the Pacific Islands Forum being held in Fiji where one session will be focused on FestPAC 2024. He commented that the forum is focused on the design of the Blue Pacific Strategy. The FD further commented that climate change dominates the meeting which outlines a long-term path for the region with a focus on climate change and fostering sustainable development.

FD Salā shared the FestPAC save-the-date flyer created by a graduate of the University of Hawai‘i, Academy of Creative Media. He also shared a digital video spot that was created by 4Miles LLC. FD, Commissioner Bento, Dr. James Viernes of the East-West Center’s Pacific Islands Development Program, and a Fijian University of Hawai‘i student all assisted with its creation. The FD will be sharing the video during the 50th anniversary reception at the forum. He also indicated that the reception will be attached to an exhibit that will feature FestPAC through the years. He will provide a summary of his participation in the forum at the next Commission meeting.

Chair Ka‘anā‘anā asked members if there were any questions.

Ms. de Silva called attention to the artwork and that The Pacific Community’s (SPC) logo should be placed on all visuals/communication pieces regarding FestPAC 2024. She mentioned that the FD may not have participated in those discussions as they occurred previous to his role as the FD, however, since the video that was just shared was produced in a rush, the SPC logo may not have been considered at the time of production. Ms. de Silva also mentioned that all materials must be translated into French, as well. This information was noted by staff who will follow up with FD.
Following the FD’s report, Chair expressed that there are several areas that require further discussion with regards to FestPAC planning. He is concerned that plans are not moving as quickly, and he will include these agenda items for the next Commission meeting. While the major areas such as housing, etc. appear to be set, he feels there needs to be more movement in other planning areas. He will be discussing these matters with committee chairs in terms of prioritizing outputs and outcomes.

Mr. Keohokālole agreed with Chair’s remarks. To be very specific, the one piece he feels is missing is a timeline for fundraising. He requested that this topic be included on the next Commission meeting agenda. Mr. Keohokālole also feels that if the FD needs more support to assist with fundraising and other matters, we may need to consider onboarding additional staff to assist the FD. Ms. Ah Nee-Benham, as Chair of the Admin Committee, understood the concerns and requests.

At the suggestion of Ms. Sanders, Ms. de Silva reported on the Pacific Islands Forum that the FD is currently attending in Fiji. Organizers invited the SPC to participate with less a month’s notice. Included in the forum is the reception for the 50th Anniversary of the Festival of Pacific Arts and Culture. The intent is to launch a strategy concurrent with FestPAC and the Pacific regional cultural strategy. The SPC invited Ms. de Silva to provide closing remarks and she will be doing so followed by the President of Fiji. She stated that this is a great opportunity and presents good visibility for Hawai‘i within the Pacific community. The video that the FD shared will also be presented. Ms. de Silva read her closing remarks to Commissioners.

PUBLIC TESTIMONY ON AGENDA ITEMS
Chair invited the public to again offer comments. Hearing none, he moved into announcements.

ANNOUNCEMENTS
Chair Ka’anā’anā congratulated Mr. Jonathan Johnson on his retirement after 34 years of service with the State Foundation of Culture and the Arts. Mr. Johnson expressed that he would be continuing to support FestPAC as a volunteer as planning continues.

NEXT MEETING AUGUST 15, 2022
The next FestPAC Commission meeting is confirmed for August 15, 2022, at 3:00 pm.

Date
Minutes

Attendees: Jamie Lum (Chair), Representative Richard Onishi, Kēhaulani Pu‘u; Festival Director Aaron Salā, Terava Casey, Mālia Sanders

Ms. Lum opened the meeting and turned it over to FD Salā. FD Salā introduced Ms. Terava Casey, an intern who is assisting him with FestPAC.

Discussion Topics

Festival Programming:
FD Salā began by saying that the SPC expects our Festival programming to reflect their 2050 Strategy. He has been participating in more meetings with the SPC and is trying to understand their expectation. A Memorandum of Understanding (MOU) between the State of Hawai‘i and the SPC is being drafted, and hopefully this MOU will outline those expectations.

The committee discussed and agreed upon the basic Festival Programming elements: Opening and Closing Ceremony, Parade of Nations, Wa‘a Ceremony, and activities that fall within the Programming Bucket definitions. The latter will be more clearly defined once we receive intent to participate responses from the delegations.

There was discussion about the Parade of Nations. FD Salā stated that the original plan when the festival was scheduled for 2020 was to include the Parade of Nations as part of the Kamehameha Day Parade. For 2024, we still have that option or it can be staged as a separate event. Ms. Sanders said it can be expensive to have a separate parade and getting permits to shut down streets is cumbersome. She asked if the parade needs to be a street parade. FD Salā said no and gave an example of the parade being held in a stadium at a past festival. Rep. Onishi suggested that we ask UH if we can use the stadium on campus for the parade. The committee agreed with this approach to have a the parade as a separate event (separate from K-Day Parade) on the UH campus.

FD Salā and Ms. Casey will develop a draft Programming Calendar which this committee will review and present to the Commission at the next meeting on August 15.

Delegate Housing:
FD Salā said he has re-engaged discussions with Dean Shimamura at UH Housing. The current housing contract is for 1,800 rooms plus two meals per day. FD Salā thinks we will probably need to increase the rooms by 500 for a total of 2,300. If that happens, we will have to make a 10% downpayment for the additional rooms by June 2023. Mr. Shimamura indicated there’s still time for the Commission to make this decision.
**Funding/Budget:**
While funding is not the primary kuleana of this Committee, there was some discussion as to whether budget should drive the Festival Programming or vice versa. Rep. Onishi stated that he is willing to introduce funding legislation and encourage his colleagues to support FestPAC, not just for economic development reasons, but because it is the right thing to do as the festival host. He also believes the Feds need to step up with funding, as well, and is willing to join the FD and other Commission members to talk with our Congressional delegates.

**Follow-up Items**
1. Draft Programming Calendar – for review at August 15th Commission meeting.
2. Pending: Mr. Salā will schedule a meeting with Rep. Onishi to discuss meeting with the carpenters union, BIA, and other industry groups about the possibility of donating labor for construction of structures for the Festival Village.

His notes from these meetings will presented at the next full commission meeting (August 2022). Of importance was the request to locate an MOU that describes the agreement between Hawai‘i and SPC to host the 13th Festival of Pacific Arts & Culture. FD Salā has been inquiring. Commission Chair Ka‘āna‘āna stated that he had not seen an MOA. More
work will be done to locate an MOA. Lacking one the Admin Committee will take-up this task at the next admin committee meeting.

2. Festival Director shared invitations to:
   a. Invite to Mosoʻoi Festival, American Samoa (October 2022)
   b. Invite to Fiji for meetings with SPC (Public Health Dept, Land Resources Dept for biosecurity, Communications team for broadcasting, discussions around integrating PRCS into FestPAC programming)

3. Festival Director overviewed project timeline (see attached). Admin committee asked clarifying queries. Highlights:

   b. September: FestPAC presentation to PICL; FD will be convening all committee leads; and marketing collateral will be developed.
   c. October: FD travel (SPC in Fiji) & FD w/commissioners to DC (late Octobr/early November).

   f. Refer to attachment for 2023 Quarterly timeline and 2024 ramp-up to event.
   g. There will be more work on planning post-festival efforts.

4. Addressing the task of presenting a festival fund development plan for the admin committee to discuss, the Festival Director discussed a listing of donors (past and committed). Discussion regarding particular donors, procedure & protocol ensued. NOTE: this is still a draft listing needing further development and not ready to be shared. Admin committee discussed the need for a Fund Development Manager and admin support (a minimum of 2 people) to manage this important effort. Of note: FD with commissioners (and allies to FestPAC) will be integral to this fund/friend raising effort. Potential next steps to acquire this support was proposed. FD will reach out and report back to the admin committee.

5. The FD reported that his team is in the process of pricing multiple elements of the event and was not prepared to present a revised Festival Budget.

6. Admin committee will continue to work with FD on the above items to include building a more robust festival core infrastructure (see notes from July meeting).
