

Small Business Procurement Program

State Procurement Office – Small Business Office

Mission: To support Hawai‘i’s economic growth by **promoting and increasing small business participation in state contracting** through outreach, policy, education, and technical assistance.

Outreach

Connect with Hawai‘i’s small business community through events and monthly updates.

Policy

Develop clear administrative rules and guidance (e.g., set-asides, subcontracting criteria, goals) for agencies.

Education

Train small business vendors and state procurement staff on systems, compliance, and best practices.

Technical Assistance

Offer hands-on support (e.g., registration help, resource navigation), help vendors overcome procurement issues.
